### The white skirt

It was Friday. Sarah and her family were going on holiday to Mexico on Sunday. Her mum needed to go shopping so she asked Sarah, 'Can you wash some clothes for me, please?' 'Of course, Mum!' said Sarah. She put only white clothes into the washing machine. There were her white shorts, her brother's white T-shirts and her mum's favourite white dress. Sarah closed the washing machine door and turned it on. Then she went outside to play with her friends.

She came back thirty minutes later, but when she opened the washing machine she saw that the clothes were pink! She took the clothes out and looked into the machine. At the back, she could see a red sock. 'Of course! That sock has turned everything pink.'

Sarah was sad about her mum's favourite dress. When her mum got home, she showed her the pink dress. 'I'm really sorry,' said Sarah. 'Please don't be angry.' Her mum smiled and answered, 'It's not your fault. It was an accident and we can fix it easily.'

Sarah's mum washed the pink clothes with some strong soap powder. After thirty minutes, they were white again. Sarah was very happy. 'Your dress looks better white!' she laughed.
